

The School District of Waukesha is looking for teachers who understand that every child is different and is able to provide for those differences. We are looking for teachers who are able to establish and maintain positive mutual relationships with his or her students because they know students work harder and learn better in that environment. In addition, we are looking for teachers who get excited about the growth of each and every student and teachers who are always searching for new and different ways to help students learn and grow. If the above describes you, we would like to invite you to make application to the Waukesha schools.

The beginning steps are quite easy. Teaching vacancies are posted at and may be searched via WECAN (Wisconsin Education Career Access Network) at <http://services.education.wisc.edu/wecan>. Please make sure that you apply directly to the School District of Waukesha by "Searching Employer Profiles" and clicking onto the School District of Waukesha link. You can then submit your application directly to our district.

- We ask that you take approximately 40-45 minutes of uninterrupted time to do an on-line questionnaire called TeacherInsight at:
<https://gx.gallup.com/teacherinsight.gx>
- The District Code is: 61771
 - TeacherInsight consists of multiple choice, Likert scale items (responses on a one-to-five scale) and open-ended items in which you write your response.
 - Specific instructions are contained within TeacherInsight.
 - You should use an Internet browser such as the following: Microsoft Internet Explorer 5.5+, Netscape 6.1+, or AOL 9.0+.
 - Following completion of the assessment, Gallup will forward us the results.

If you need help contact the Gallup client support team at srihelp@gallup.com or call 877-425-5872.

Once you have completed the above process, your file will be complete and you will be eligible for any openings that may occur.

You will not need to send any additional materials at this time. We would prefer if you held onto cover letters, resumes, transcripts, letters of reference and credentials until you are called in for an interview.
