

High school attendance boundary

High School Redistricting Effective June 1, 2006

Existing residents utilizing public school services in the area will be able to remain at West High School under a set of "grandfathering" rules. Due to this grandfathering, the district has designated this area as a transition zone. For information on grandfathering rules, see our district website at: www.waukesha.k12.wi.us/District/Default.asp or contact the Student Services Office at (262) 970-1107.
